CHANGES IN THE WICKS LAW (Effective July 1, 2008)

Construction contracts of one million five hundred thousand dollars or less will not require the preparation of separate contracts for plumbing and gas fitting; steam heating, hot water heating, ventilation and air conditioning apparatus; and electric wiring and standard illuminating fixtures. Each bidder on a public work contract, where the preparation of separate contracts is not required, shall submit with its bid a separate sealed list that names each subcontractor that the bidder will use to perform work on the contract, and the agreed upon amount to be paid to each for: a) plumbing and gas fitting; b) steam heating, hot water heating, ventilation and air conditioning apparatus; and c) electric wiring and standard illuminating fixtures. After the low bid is announced, the sealed list of subcontractors submitted with the bid shall be opened and the names of such subcontractors shall be announced. Thereafter, any changes of subcontractors or agreed-upon amount to be paid to each shall require the approval of the County upon a showing of legitimate construction need for such change.

The sealed lists of subcontractors submitted by all other bidders shall be returned to them unopened after contract award.

EMERGENCY CONTRACTORS AND SUPPLIERS

Westchester County maintains a list of potential contractors for future emergency work and a list of potential vendors for emergency equipment, materials and supplies. Emergency work may involve being called on a 24-hour/7-day basis during such natural events as a hurricane, tornado, flooding, severe ice or snow storms, as well as other emergencies such as utility failures, explosions, acts of terrorism, transportation and hazardous materials accidents.

If you would like to be considered for contractor emergency work, download and complete the [Emergency Contractor Form](#). If you would like to be considered as a supplier of emergency equipment, download and complete the [Emergency Equipment Supplier Form](#).

For further information, contact Yolanda Spraggins of the Dept. of Public Works and Transportation by phone at 914-995-2551.

MINORITY PARTICIPATION POLICY

Contractors must comply with the County's Minority Participation Policy, including, but not limited to, the requirement that contractors make a demonstrated good faith effort to utilize Minority and Women Business Enterprises ("MWBE"). To assist contractors in this effort, the County has made available a list of MWBEs at <https://business.westchestergov.com/mwbe>. Contractors are also encouraged to utilize other sources to identify potential MWBEs as subcontractors and suppliers. **All bidders must submit as part of their bid package the Minority and Women Business Enterprise Questionnaire.** The Contractor further agrees to include the above provision in any sub-contract made to a contract with the County of Westchester.

A bidder's failure to comply with the provisions of the Minority Participation Policy as set forth in the bid documents may result in a determination not to award the contract to that bidder.

SERVICE DISABLED VETERAN PARTICIPATION POLICY

Contractors must comply with the County's Service Disabled Veteran participation, including, but not limited to, the requirement that contractors make a demonstrated good faith effort to utilize Service Disabled Veteran Owned Businesses ("SDVOB").

To assist contractors in this effort, the State has made available a list of SDVOBs at <https://online.ogs.ny.gov/SDVOB/search>. **All bidders must submit as part of their bid package the Service Disabled Veteran Owned Business Questionnaire.** The Contractor further agrees to include the above provision in any sub-contract made to a contract with the County of Westchester.

A bidder's failure to comply with the provisions of the Service Disabled Veteran Owned Business Participation Policy as set forth in the bid documents may result in a determination not to award the contract to that bidder.

REMINDER

ATTENTION CONSTRUCTION WORKERS!

If you are working on a public construction site, New York Law states that your employer **MUST PAY YOU** the appropriate prevailing wage.

**"WAGES MUST BE BASED ON THE WORK YOU DO,
NOT YOUR JOB TITLE"**

Your employer can not classify you as an apprentice and pay you lower wages if you have not signed a bonafide apprenticeship agreement with the State of New York, or have been registered with a State approved plan. Prevailing wage rates should be posted on the job site. If not, it is a violation of the law.
